

# The Essential Guide 2025

A MANUAL TO PRECEPT SINGAPORE'S  
COURSES, WORKSHOPS & RESOURCES

(Version 1.0—01 January 2025)

# Foreword

'Twas the time for a brand new release of our Essential Guide—your all-in-one manual for everything Precept Singapore.

We thank the Lord for the past year, His grace in the valley and peaks. As we step into this new year, especially in these chaotic times, we pray that many more will come to study His Word.

Yes, life is full of distractions, calls, and trials. There's always a reason not to make time to "seek ye first the kingdom of God" (Matthew 6:33). By our nature, we don't seek God (Psalm 14:2-3, Romans 3:10-12), much less prioritize Him amidst life's calls.

 **Fun fact:** With around 2,000 Preceptors across Singapore, we're like a rare gem—not even 10% of a local megachurch's crowd!

We urge you, dear brethren, to commit this year to the Lord. Seek Him, know Him... all He has revealed to us through His Word. Scripture is His gift to us, our lifeline through the days of our lives (Isaiah 46:4), and we can joyfully and confidently say, "It is well with my soul" (James 1:2).

If you're already on this journey, encourage others to study His Word. Know TRUTH for themselves. The time is NOW. We don't know what tomorrow brings. If there are seekers among you, especially youths and young adults, we would love to journey with them through our YA classes and have meaningful discussions.

**HELP SHARE THIS ESSENTIAL GUIDE WITH OTHERS** so they know there's a valuable resource to study the Word!

Whether you're a Precept veteran, new to Precept, or a seeker, we welcome you to join a Precept community this year. Let's journey together—precept upon precept, line upon line, here a little, there a little (Isaiah 28:10-13).

May our good Lord keep you and bless you,  
Precept Singapore Team

and transform lives.

God desires us to know Him.  
He has revealed all we need to know in Scripture...  
to know Him deeply.

- Precept Singapore -

For the word of God is living and active  
and sharper than any two-edged sword,  
and piercing as far as the division of soul  
and spirit, of both joints and marrow,  
and able to judge the thoughts  
and intentions of the heart.

Hebrews 4:12

### KINGS & PROPHETS #9: UNDERSTANDING THE ANGER OF GOD

These were the last prophets to the Southern Kingdom of Judah before Judah was taken captive to Babylon. Each prophet cried out to a nation which needed to heed the Word of the Lord about judgment. Any nation, Assyria or Judah, which chose to worship idols rather than God, would be judged by God unless they turned to Him in repentance, but God would warn them first. These three prophets will teach you how God deals with those who turn away from Him and how He gives a warning to turn to Him rather than perish.

In the beginning, I struggled with the homework – the English terminology, and names of Bible characters and places. But I enjoyed the studies so much that I try not to miss the class discussions. They are intense, insightful, encouraging and helpful.

Before Precept, I had difficulty understanding, remembering and completing a book. Precept uses observation, interpretation and application to go deep into the Word. Reading verses repeatedly, and with Scriptural cross references, helps us understand a passage. I encourage you to join us. Your life will never be the same again. You will be blessed – studying, knowing and acting on His Word. -Patrick Foo

I have been a Christian for many years, but I have never read God's Word in-depth. Now, by reading the Bible book by book systematically, I am better able to perceive its meaning; it is not just a story for me any more. I encourage everyone to join a Precept class to gain an in-depth knowledge of God's Word – not only to build up our knowledge, but also to develop a more intimate relationship with God. - Ling, Katrina Kua

After we were both baptised in 2015, as new Christians, we felt the need to learn God's Word properly. So we signed up for a Precept class. The first two books we studied were Ezra and Haggai.

Initially, the intensity and volume of work were overwhelming. However, as we progressed, we both found that we actually enjoyed the process. The reading materials, the homework and the cross-references really helped enhance our understanding of God's messages. We felt as though we were going on an exploration and digging up the treasures that God had left for us in His Word. - Leong Wing Kong & Ivy Ho

I was a new Christian when I joined the PUP class on Genesis in 2008. Initially, it seemed tedious and time-consuming. I persevered as I was keen to study God's Word systematically. The discussions were engaging and the video lectures helpful. Thus began my journey studying His Word and discovering its truths for myself.

My wife Lay Wee was also keen to join the class. By attending the same class, we can discuss the questions and motivate each other to complete the assignment. The study has helped us to be more reflective in our relationship with God and to know Him more intimately. - Yeo Kei Huat

His Word became real to me again, truly alive and active. It awakened my soul and refreshed my spirit. It was like God talking to me in a very personal and intimate manner and giving me His personal instructions for my daily living. - Tay Beng Wan

God has an interesting sense of humour! He has transformed me from a person who was “not a Precept fan” into a “Precept Ambassador”.

I first signed up for Precept Bible study in 2015 after a friend invited me to join it, but I did not like it, and did not continue. A year later, however, I felt prompted to give PUP another try. I was surprised that I got to like it this time, and truly benefited from it.

The study was one of the key turning points in my Christian walk. I finally felt the Bible speaking to me, and I was ministered to by God through the lessons and class discussions. I am now convinced that PUP Bible study can help anyone study the Bible for themselves - Rebecca Tan

I had never used Precept materials or attended a Bible study course, with the help of my Precept leader, I found it to be a creative, unique and fun way to do Bible study. I especially liked using colours and symbols to mark key words and phrases, and the double-spaced Bible passages made it a lot easier to read.

With the lively discussions with my sisters-in-Christ and Kay Arthur's videos, I have learnt how to study God's Word more systematically. I am thankful for what has been revealed to me through the study materials. I have grown deeper in my understanding and love for God, and I am humbled by His love. - Janice Chan

When I first came to know Jesus and accepted Him as my Saviour, I read the Bible like a novel. I enjoyed the Old Testament for its sensational stories.

More than two decades later, a church friend introduced me to an inductive Bible study class that used Precept materials.

Through this method of study, I have come to realise that there are lessons to be learnt from these sensational stories. The materials cover the length, breadth and depth of God's Word. Not only do they give me new insight into the Word of God, but they also inspire me to want to know more about God.

By asking the 5 W's and 1 H (who, what, where, when, why and how), Precept has taught me that if I know the “why”, I will know the “how”. For example, if I know why God is angry about a certain incident, I will know how to avoid making Him angry. “The materials... inspire me to want to know more about God.” - Soo Phin

I started attending Precept classes in 2008, but quit after 4 lessons. A year later, upon encouragement by a Precept leader, I started my Precept journey again. My Bible understanding is weak and I am not disciplined, but through the discussions and sharing, my understanding and faith deepened.

I persevered and I am enjoying the study now. The study guided me step-by-step and has helped me to go deep into Scriptures. To those who want to take their faith to greater heights, join the Precept family now! - Karen Fung

I have been using Precept's 40-Minute and PUP materials for more than 10 years after they were introduced in my church and also had the joy to lead study groups on the 40-Minute series. I like Precept materials for their structured method in enabling one to go into a deeper study of God's Word. I truly thank God for the Precept team and their continual efforts in helping people to study God's Word through Precept materials. - Ruth Shirley Janarthanam, Youth Leader

Precept has helped me to know God in a deeper manner, through going more in-depth into His Word." - *anonymous*

I was 15 years old when I attended the youth ministry at my church. Each year we do a study using Precept's 40-Minute books and that was my first time joining a Bible study. Through the study, I was able to gain a deeper understanding of the stories in the Bible that God uses to bring us to His love!

While the studies did not result in any great revelation for me, they really helped me to understand more about living a life that is pleasing to God and to love Him in return for all that He has done for me. The sharing among the group members also enriched my learning experience and I realised that studying and growing together as a group is certainly better than just doing it alone.! - Jason Chai

As a mother of two and a staff nurse doing shift duty, I found it a challenge indeed attending the Precept Bible study every Tuesday.

However, with God's grace, I have managed to attend most of the lessons. I really thank God for the blessings I received from studying God's Word using Precept materials. Not only did I gain in my knowledge of the Bible, but I also built a closer and stronger relationship with God.

God's Word is now my daily bread, energising me to read His Word and to pray regularly. God Himself provides me with the wisdom to balance my spiritual life, family and work commitment. One day, when I was doing my Precept homework, my three-year-old son came and saw the colourful markings on my study worksheets. He said: "Mummy, it is so beautiful! I want to colour also!"

Praise the Lord! "Come dear, Mummy will show you how to colour..." - Gan Yu

Precept has taught me many things about the Bible and who our God is. I have been blessed greatly by the lessons and the leaders. The discussions have been fantastic and I look forward to learning more about God every week. - *anonymous*

Precept has taught me the value of patience and diligence in studying the Word." "Precept taught me how to dig deeper into the Word, so that I can better appreciate the treasures awaiting those who seek. - *anonymous*

# “Testimonials

I signed up for Precept after hearing about how it was a great tool for helping us to go deeper into God's Word. In my first course, Romans Part 3, I understood more about God's kingdom and His plan for us. Knowing this has helped me to live my life differently and given me the courage to be bold for Christ.

The Precept materials help me set aside time daily to reflect on aspects of my life that God wants to mould. I enjoy it as I am able to dig deeper into God's Word and draw lessons for my life.

I persist with it because the value of knowing God is eternal and cannot be measured in tangible terms. - Daryl Woo

Using Precept's 40-Minute study books has helped me to gain a deeper understanding of God's Word and how I can apply it. From the examples of the characters in the Bible who showed obedience to God, I have learnt to reflect on my relationship and life with God and the people around me. All these have helped me to walk closer with God.

Praise the Lord for showing me His way, truth and life through the Precept studies. My eyes have been opened to His marvellous grace and works. I desire to spend more time studying His Word and grow more in Christlikeness. - Jubai Kuai

I started using Precept materials as a youth in church and since then I have completed several study titles every year including the 40-Minute series and PUP.

The inductive Bible study method has taught me to slow down and meditate on God's word. The systematic approach has granted me a robust foundation as I now study the bible for myself, or lead others in church.

Using Precept materials has guided me to observe what the text says and draw insights from there directly. I've been blessed through these studies and grown in my faith as I learn more about God from His Word. - Amelia Stanly, Youth Leader

I work Accident in the & Emergency department and after 8-9 hours of work and stress, I still have to look after my twoyear-old daughter at home.

Taking her along for Bible study is another challenge, as I also have to take along her milk, water, clothing, diaper and toys. During Bible study, I often may not focus fully as I have to watch my daughter or attend to her needs even as I try to follow the class discussions. However, I am sure my daughter is learning as well, as she watches us and listens to our discussions.

I strongly encourage brothers and sisters to come for Bible study. We need to build our foundation on God's Word. Bring your children to Bible study too, so that they can grow in God's Word. - Qi Hong Juan

We strongly believe that the quintessential of walking the faith is to call people to come to know God – not by our own means or our own words – but standing on the Word of God alone. However, we cannot do this alone. We need leaders who are willing to answer to this call of fellowship with others in God's Word.

## **NEW** A special session in April for parents & grans!

In these challenging times, nurturing children to hear the voice of Jesus is becoming almost inaudible. Technology has become the new nanny, and exams have taken precedence over training children in the ways of the Lord—or quite simply, being children after God's own heart.

Our D4Y workshops are not just for children's ministry teachers. Our trainers are opening a special session in April for mummies, daddies, and grans. Learn how to engage your little ones in inductive Bible study with our D4Y materials.

## Being a Precept Leader

In 2018, I was asked to undergo training to be a PUP leader. I was not prepared to accept the responsibility immediately, as I had always believed that a PUP leader needed to be very knowledgeable and possess good understanding of the entire Bible.

But God spoke to me in His time and in His own way. My worry about not knowing enough to lead was slowly erased as He showed me that I would always be a work in progress". I needed to "trust in the Lord with all my heart and lean not on my own understanding; in all my ways submit to Him, and He will make my paths straight" (Proverbs 3:5-6).

Trusting God in His word has given me the confidence and wisdom to share and learn together with my fellow PUP classmates and leaders. - Julian Lim

I started to lead the 40-Minute Bible studies at our church's Youth Ministry in 2018 to help the youths learn more from God's Word. Initially, it was challenging as we helped the younger ones in handling the questions better.

Through a training by Precept Singapore staff, we felt better equipped to manage the study better and ensured that the youths have a key take home point each week.

What brings much joy was that at the end of the 6-week study, the youths were practising what we taught them. I would strongly encourage all Christians, young and old, to get into the study of God's Word regularly. - Janet Ng

I stepped out in faith and became a leader about 10 years ago. God has given me many friends to aid me in my study and leadership. He has placed amazing women in my classes to stretch me and expand my comprehension of how God's Word applies to our daily living. It can be intimidating to be a leader, and many times, I have felt that the class members are teaching me more than I am teaching them.

The give-and-take is humbling as we learn together. God's Word has guided me as I learn more and more about the character of God and the cost of following Him. I really love digging into the Word and finding truths for myself.

When God presented me with the opportunity to lead another small home group from my church, I could not refuse. I wanted to help them learn the joy of digging into the truths of the Bible for themselves.. - Jody Chan

Our Youth Ministry did the 40-minute Bible study on "The Essentials of Effective Prayer". It was my first time leading a group rather than as a participant. While the initial leading was challenging, the advice from more experienced leaders helped me to focus on the more pertinent questions and key points.

This study series is simple and straightforward and provides a quick and easy to follow method of going through Bible passages which is especially good for youths who are younger and need more guidance.

The study is well structured and covers a wide range of topics on our faith and helps us to reflect and to apply what we have learnt.. - Mark Tang

“Bringing people to these historical sites to connect with Scripture is always exciting. We have witnessed lives transformed spiritually—these tours are a time of reflection, conviction, encouragement, and confirmation. They are spiritually encouraged and convicted, wanting to be closer to God and to know His Word more deeply. And that’s great! Our passion is to get people into the Word, and these tours connect people to Scripture.

# Our Regional Work

TRAINING . TRANSLATIONS . SEED FUNDS

Our journey began in 2000, and over the past 24 years, our reach has expanded to Hong Kong, Taiwan, Malaysia, the Philippines, Japan, Vietnam, Cambodia, and, as of 2023, Indonesia.

Whenever there's a cry for help or a request for training in the region, we are ready to support.

Precept Singapore is instrumental in providing seed money—funds for the first translation and print. The proceeds from sales of the first print contribute to printing the next book and paying translators.

To date, we have translated materials into Chinese (simplified and traditional), Malay, Vietnamese, Khmer, and Japanese. Translation work into Indonesian began in 2024!

## **How you can support our regional outreaches:**

- **Funding:** Your generosity not only sustain our office but helps fuel our regional outreach and its expenses.
- **Purchase with Purpose:** The proceeds from our nominally charged study materials support seed funds, financial aid and trainings.
- **Be a partner:** On a mission trip? Bring Precept materials to help others know God and grow their faith through His Word.

# Support Us!

Precept Singapore is a non-profit organisation funded by freewill offering.

Bless our ministry with a kind donation that we may continue to serve you and others through His Word. Your support will also aid our regional outreaches.

We thank you deeply and ask that you keep our ministry in your prayers, not only for our funding but also that we may continue to be a vessel bringing others closer to God through His Word.
